WHY PARTNER WITH AIA BLUE RIDGE?

We represent more than 200 architects and associates practicing in Virginia's Blue Ridge. We are dedicated to advancing the practice of architecture among design professionals, as well as expanding the awareness and appreciation of architecture among the general public. This year, in addition to our annual programs and events, we will also be hosting our bi-annual Design Awards Gala to celebrate the outstanding designers and practitioners in our region. We rely greatly on our partners to carry out our mission and we need your support to reach our goals!
